

The ensemble "Moscow Time" was founded in 1993 by the talented young musicians.

Their main peculiarity is that they do not limit the repertoire by the folk music, though they play on the folk instruments. You can hear the authors like Bach, Vivaldi, Mozart, Sviridov, Rimsky-Korsakov, Tchaikovsky, Rossini and other original variations of Russian and Ukraine folk melodies, instrumental pot-pourri, jazz pieces and improvisations.

The ensemble "Moscow Time" has participated in different concerts, festivals in many countries: France (Orly, Paris, St-Etien, Morsel, Lion), Swiss, where they were giving concerts during the 7 months, Germany, Finland, Italy, Taiwan, Venezuela.

The musicians have a great success in all countries in the most famous concert halls and even the most demanded audience have appreciated their talent.

During the last 6 years "Moscow Time" has been working with the French company "Inexco Voyage" on the river ships and has the most positive recommendations from the leadership of this company.
